SWAG

Participants registered for either event on or before February 28<sup>th</sup> only will be guaranteed a tech shirt in their chosen size. A very limited number of extra shirts and medals will be available after that deadline on a first come, first served basis.

What's the difference between a race and fun run?

The 5K RACE is chip timed, so you will get an exact time and age-group place information. Top 3 in each age group will receive medals.

The 1 Mile FUN RUN is NOT timed! There will be a clock at the end, but your individual time will not be recorded. 1<sup>st</sup> place overall male and female will receive prizes.

For all participants, race or fun run, there will be pie in the commons after the race!
